

California Writers Club - E-Business Minutes
Shall Language be added to P&Ps to preclude felons
from being state officers?
December 1 to December 14, 2015

In keeping with best practices in the nonprofit sector and to bring consistency with the recent additions to the PnP regarding harrassment and discrimination, I, Joyce Krieg, move to add (new) Section E to Article IX of the Policies and Procedures: "A member who has previously been convicted of a felony may not hold statewide office, which includes an Officer or a Central Board Representative."
