## **I MISSION STATEMENT**

- A) The California Writers Club (CWC) shall foster professionalism in writing, promote networking of writers with the writing community, mentor new writers, and provide literary support for writers and the writing community as is appropriate through education and leadership.
- B) The club supports all genres, writing styles and related professions such as editing, publishing, photographic journalism and agents.
- C) The branches provide an environment where members can obtain critique of their efforts, attend workshops, and share experiences. Branches are encouraged to mentor writers of all ages by providing educational programs for adults and fostering youth programs.
- D) The California Writers Club will not discriminate on the basis of race, religious creed, color, age, sex, sexual orientation, gender identity, national origin, religion, marital status, medical condition, disability, military service, pregnancy childbirth and related medical conditions or any other classification protected by federal state, and local laws and ordinances.

## **II ORGANIZATION**

- A) Branches comprise the CWC. A branch operates on a semiautonomous basis, deriving its own bylaws, electing its own officers, and conducting its own programs and business. Branch operation shall conform to the corporate constitution, bylaws, and this policies and procedures (P&P) document. Officers of the branches are expected to adhere to the conditions listed below. Failure to do so may result in the revocation of the branch charter.
  - 1) Allow any Officer of the Central Board or duly appointed representative to attend official CWC branch events, including but not limited to board meetings, general membership meetings, workshops, conferences and social events. If an entry fee is being collected, the branch will waive the fee except for the cost of meals.
  - 2) Respond in a timely manner to any and all business communication from any Officer of the Central Board or duly appointed representative, including but not limited to emails, phone calls, and letters sent through the US Postal Service.
  - 3) Make available for inspection and review of branch records and documents, including but not limited to minutes, newsletters, correspondence, and financial records at the request of an Officer of the Central Board or duly appointed representative. These shall include records and documents kept in electronic format.
  - 4) Agree to participate in mediation led by an Officer of the Central Board or duly appointed representative upon request by any branch officer or member in good standing and authorized by the Officers of the Central Board.

The President is directed to send a copy of this new PnP material to every branch president with instructions to acknowledge receipt and understanding of these expectations.

- B) Unless otherwise stated in this document or the bylaws, the central board conducts the corporate business in accordance with a majority vote of the representatives

present at duly called meetings. Unless otherwise stated in this document or the corporate bylaws a quorum consists of half of the duly appointed branch representatives or their proxies.

- 1) This board is comprised of one representative from each branch. Branches should appoint their representative for a two-year term by the methods specified in their local bylaws.
- 2) If an appointed representative cannot attend a duly called meeting, the branch president may appoint a proxy. To vote on issues, the substitute must carry a written (e-mail or FAX) letter of proxy from the absent representative or from the branch president. A representative may carry only one proxy representing another branch.

### **III CENTRAL BOARD MEETINGS**

- A) Unless for urgent and special reason ascertained by the Executive Committee of the Central Board, official meetings of the central board will occur no more than twice annually; one of the two, the mandatory annual meeting in July.
  - 1) The President shall select the meeting locations, north or south, based on equity in attendance considerations and costs
  - 2) The President shall solicit agenda items no less than three weeks before the meeting and circulate a planned agenda at least one week before the meeting.
  - 3) It is incumbent upon branches to provide representation at Central Board meetings including those held via the e-business process.
- B) A provision for conducting business via the Internet (e-business) is provided, see Article V. In addition to e-business, an internet-based space shall be available for informal discussion among branch representatives. An administrator will be appointed by the president.

### **IV REGIONAL ASSOCIATIONS**

- A) Regional associations of branches are encouraged for purposes of furthering the mission of the CWC; for sharing branch operations information, collaborating on events, building membership, staffing book expos, and the like.
- B) Regional associations may operate at the discretion of their member branches, but that operation shall not conflict with the California Writers Club governing documents.

### **V CONDUCTING BUSINESS ON THE INTERNET (E-BUSINESS)**

#### **A) DISCUSSION**

- 1) In addition to scheduled face-to-face meetings, the Central Board (CB) may conduct business via the Internet (e-business).
- 2) Email and the "Forum," an adjunct to the CWC website, shall be the sole e-business media. The official conduct of e-business shall be limited to the "Category," E-Business, and its three boards: Discussion, Voting, and the ancillary, Q&A Regarding Procedure.

- 3) Within the limitations of email and the Forum, e-business shall follow the rules of “Precedence” established within these Policies and Procedures.
- 4) The CB President shall act as e-business Presiding Officer (PO) and shall act as or appoint an e-business Moderator.
  - a The PO will conduct process: recognizing and disposing of motions; the moderator will manage the e-business boards.
- 5) Each CB Representative (Rep) is required to have Internet access and an e-mail account and have a working familiarity with the Forum. Reps are expected to attend the e-business process with sufficient discipline to act on each motion presented by the PO. A Proxy may fill in for an absent Rep.
- 6) Status emails (“broadcasts”) sent by the PO in the course of conducting e-business) shall include “CWC” and topical information in the subject field. Example: “CWC – Call to Order.”
- 7) The moderator will pair the PO’s broadcasts with a concomitant “NOTICE” on the e-business board.
- 8) The secretary of the Central Board shall prepare e-business minutes to be emailed to CB Reps and branch presidents on a quarterly basis. A collection of these e-business minutes will be brought up for approval at the next face-to-face CB meeting.
- 9) Several motions may be processed simultaneously.

## B) PROCEDURE

- 1) Any Central Board Rep may make a motion by framing it appropriately (“I, John Doe, move that...”); recommending time frames for seconding, discussion, and voting; and emailing it to the PO. The PO may negotiate the time frames; however, discussion will be allowed for no fewer than 8 days after the motion is seconded, and subsequent to opening the voting board, no fewer than 8 days to vote.
- 2) A motion shall be deemed to be in order if it is properly framed and if it pertains to a matter that is within the proper scope of the CB according to its constitution and bylaws.
- 3) Upon recognizing the motion as being in order, the PO will:
  - a Broadcast a “CWC – Call To Order.” The broadcast will include mover’s name, the title and text of the motion, or a synopsis, and the time frames for a second, the discussion and voting. Reps will be directed to the Forum.
  - b Forward it, with time frames, to the e-business Moderator, who will post the full motion on the Forum, including mover, title, text, and time frames, as a “Topic” under the “Board” headed “Discussion of Active Motions.”
- 4) The first Forum “Reply” to the motion must be a second. If a second is not made within the specified time, the motion will automatically “expire.” A “CWC – Motion Expired” broadcast will be sent by the PO, and an “NOTICE – EXPIRED MOTION” posted on topic by the Moderator. The posting will remain for a week, after which the motion will be removed.

The mover may withdraw his or her motion, with an email to the PO, at any time before it is seconded but not after. The PO will then broadcast the withdrawal (“CWC – Motion Withdrawn”) and the Moderator make a “NOTICE – WITHDRAWN MOTION” note on the discussion board.

- 5) Once the motion has been seconded, discussion may begin. During the discussion period, the motion may be managed (amended, tabled, withdrawn, etc.) only by a subsidiary motion, processed in the same manner as the primary motion.
- 6) If a subsidiary motion is in order, the PO will broadcast a “CWC – Stop Notice, a Subsidiary Recognized” to indicate that discussion on the main motion will cease until disposition of the subsidiary is achieved. The Moderator will follow with a “STOP NOTICE – SUBSIDIARY RECOGNIZED” reply on the topic board and post the subsidiary motion and time frame details below it.

If an approved subsidiary motion substantially changes its primary motion, the mover of the primary motion may request and renegotiate its discussion and voting time frames.

- 7) A point-of-order may be raised by means of an email to the PO. The PO will respond with a broadcast, “CWC – Point of Order,” relate the point being made, accept or reject with basis, and if accepted, take the appropriate action. The Moderator will follow suit on the e-business board.
- 8) At the end of the discussion periods (main or subsidiary), the PO shall declare discussion closed with a broadcast entitled “CWC – Call for a Vote.” The broadcast will include the motion’s title, the name of the mover and seconder, the text including changes ordered by way of approved subsidiary(ies), and the time frame for voting. The Moderator will open the voting board with the motion’s title, final wording and time frame for voting.
- 9) Votes will be cast by way of a “Reply” to the topic. Each reply will include the branch name and the word “Aye,” “Nay,” or “Abstain. A vote may be changed during the voting period. When voting closes, a notation of “Present” will be recorded for those who participated in the discussion but did not vote. An “Absent” will be recorded for those not attending either the discussion or the vote. These notations will become a part of the minutes.
- 10) A quorum is defined within these P&Ps. For purposes of determining an e-business quorum, a member is counted as present only if that member has voted.

If a quorum is not reached by the end the specified voting time, the PO may extend the voting period once but add no more than the original time allotted. If a quorum is still not reached, the motion will have said to expire and, with a broadcast from the PO, “CWC – Motion Expired” will be removed from the e-business board by the Moderator and an “EXPIRE NOTICE” posted on the voting board for a week.

- 11) At the conclusion of voting, the PO will determine a quorum, and count and tally the votes. The PO will adjourn that particular e-business session with a broadcast entitled, “CWC – Motion Passed/Failed,” state the motion’s title, the text, its disposition, the tally, including those accorded a “present” or an “absent.” The Moderator will confirm the tally and post an announcement of results under that voting topic. The Moderator will remove the motion and discussion from the board not earlier than a week after the PO’s broadcast.

- 12) Minutes of e-business: the secretary shall record all motions receiving a second. The motion title, text, disposition and tally, including those accorded a “present” or an “absent” shall be recorded and maintained as minutes. These minutes, following approval by the Central Board, shall be placed on the CWC web site. If no motion has reach a second during the period, a statement to that effect will be sent.
- 13) E-business minutes shall be officially approved by the CB at the next face-to-face meeting.
